ADMINISTRATIVE DIRECTIVE: AD 17- 26 Employee Timekeeping and Compensation

TO: Arkansas Community Correction (ACC) Employees

FROM: Sheila Sharp, Director

SUPERSEDES: AD 15-04

APPROVED: Signature on file **EFFECTIVE:** June 1, 2017

- I. APPLICABILITY.** This policy applies to all ACC employees.
- II. POLICY.** All ACC positions are classified as exempt, nonexempt or 207(k) (7K) law enforcement exempt from the Fair Labor Standards Act (FLSA). Supervisors of nonexempt and 7K law enforcement employees are required to hold employees accountable to the established regular workweek standard unless overtime hours of work are necessary and approved to facilitate operations.
- III. DEFINITIONS.**
 - A. Banked Time.** Balance of accrued leave (annual, sick, overtime or holiday).
 - B. Overtime.** Time physically worked in excess of 40 hours in a workweek for nonexempt employees and in excess of 86 hours in a 2-week pay period for 7K exempt employees.
 - C. Straight Time.** Time physically worked up to 40 hours in a pay period for non-exempt employees and up to 86 hours in a pay period for 7K exempt employees.
 - D. Promotion.** An employee's change in duty assignment from a position in one classification to a position in another classification of a higher salary grade.
 - E. Demotion.** An employee's change in duty assignment from a position in one classification to a position in lower classified position
 - F. Lateral Transfer.** Transferring to another position within the state under the same job classification of title, grade, and pay as their current position.

IV. TIME KEEPING.

- A. Time Sheets.** All time sheets must reflect the exact time the employee physically worked, any paid leave, and leave without pay.
- B. Time Entry Requirements.** All employees must have ALL time entered by noon on the second Wednesday of each bi-weekly pay period. It is mandatory for employees to contact their local timekeeper with any time entry questions that would affect payroll after the noon deadline. Timekeepers are to verify time is entered for employees from their area/center and are to contact HRS with any time entry questions that would affect payroll.
- C. Light Duty and/or Part-Time.** ACC is a full time employer only and does not have any positions that can be utilized as light duty and/or part-time.
- D. Timekeeping Records.** Non-exempt and 7K exempt employees must accurately complete and submit time sheets through Empowering Arkansas State Employees (EASE) in sufficient time for the timekeeper to meet the payroll schedule. All employees must complete leave request forms and comply with guidance in this policy.
- E. Determining FLSA Designation.** FLSA designations for each position classification within the state Classification and Compensation Act are determined and assigned by OPM. If the FLSA designation of the position occupied by the employee is in question, the appropriate Deputy Director must contact the HRS Administrator and request a classification status review. The HRS Administrator will submit the Request for Review to OPM.
- F. Non-Exempt.** Non-exempt employees are those whose functional job duties and responsibilities do not meet the FLSA exemption test and who are compensated with time on a multiple of their hourly rate of pay for overtime. All time sheets must reflect the exact time the non-exempt employee physically worked. Actual time physically worked above 40 hours in a scheduled workweek is accrued at the rate of time and one-half. The employee will be paid for overtime exceeding 240 hours.
- G. Exempt.** Employees whose positions meet specific tests established by the FLSA and state law and are exempt from the FLSA overtime provisions requirements. Exempt employees are paid on an annual salary basis.
- H. 7K Law Enforcement (Partially Exempt).** Employees categorized as 7K law enforcement personnel are partially exempt from the FLSA and will record time based on a standard 14-day work period (80 to 86 hours). The partial exemption provides that employees are paid at their regular work schedule rate of pay for the first 80 hours they physically work. Those hours physically worked between 80 and 86 hours will be counted as straight time and placed in the employee's banked straight time account. Any time physically worked in excess of 86 in the 14-day work period is counted at a rate of one and one half times and is banked in the

employee's overtime account. The 7K exempt employee will be paid for overtime exceeding 480 hours.

- I. Leave Records.** Supervisors and timekeepers must ensure timekeeping records are forwarded to the new supervisor and timekeeper when an employee transfers, promotes or demotes to another position within the ACC. When an employee leaves the agency, leave records are to be maintained by the timekeeper under the records retention policy. All records are electronic after April 22, 2017.

- J. Use of Banked Holidays, Straight Time and Overtime.** Overtime may only be worked with the approval of an Assistant Area Manager, Assistant Center Supervisor, staff supervisor, or higher. "Authorization to Work Overtime" form must be used to request overtime. Employees are required to use banked leave in the following sequence: holiday, overtime, straight time, annual leave, and leave without pay (LWOP) unless an exception is permitted in this policy. If an employee requests annual leave, the timekeeper must check leave balances and charge leave in the same sequence. The timekeeper will correct the employee's time sheet, initial the change, explain the change to the employee and have the employee initial the change. An employee who requests to use banked holidays, straight time, overtime or annual leave may be permitted to do so within a reasonable period after making the request as long as it does not affect critical operations of the agency. The minimum amount of banked holiday, straight time or overtime that can be requested is fifteen (15) minutes. If an employee is in danger of losing annual leave at the end of the year, a supervisor may allow the employee to use annual leave before using banked holiday, straight time, and overtime.

- K. Leave Time. Benefit vs. Entitlement.** Benefits consist of holidays, annual and sick leave. Entitlements are overtime and straight time. Under no circumstance must a benefit be converted into an entitlement by counting it toward the hours the employee physically works. For example, a non-exempt employee uses 8 hours sick leave on Monday, then physically works 10 hours on Tuesday, 9 hours on Wednesday, 8 hours on Thursday and 8 hours on Friday. The employee would have a total of 35 hours physically worked and 8 hours of sick leave for a total of 43 hours. Forty (40) hours is all that is required for the pay week; therefore, the number of sick leave hours charged must be reduced from 8 to 5. Timekeepers should inform the supervisor and employee of the necessary corrections, have the changes to a time sheet and leave slip initialed by the employee and supervisor and then make the appropriate changes to AASIS. Under no circumstance will 3 hours be added to the employee's banked straight time account.

V. COMPENSATION.

- A. Upon Hire.** The ACC will not transfer holidays, straight time, or overtime from other State agencies.

- B. Promotion.** An employee who is promoted shall receive the maximum annual salary for which he or she is eligible as follows:

1. For a promotion to a position of a higher grade on the same pay plan, the employee's maximum rate of pay shall be increased by ten percent (10%).
2. For a promotion from a position on the career service pay plan to a position on the professional and executive pay plan, the employee's maximum rate of pay shall be increased by twelve percent (12%).

4. When an employee promotes to a different agency or institution, the originating agency or institution must pay all accumulated compensatory time and overtime to the employee at the time of transfer.

1. Fixed at the rate equal to ten percent (10%) less than the employee's rate of pay at the time of the demotion for demotions of one or more grades on the career service pay plan or on the professional and executive pay plan.

E. Retirement. Employees are permitted to defer to the State 457 Deferred Compensation Plan for all, or a portion, of their final lump sum monies (comprised of unused sick or vacation leave) provided the employee follows the requirements of the program. For more information on Deferred Compensation please click this link [Arkansas Diamond Deferred Compensation Plan information](#). Employees should discuss this option with HRS before their termination due to retirement.

F. Termination. Upon termination from employment, the employee shall receive payment for any unused holidays, straight time and overtime at the employee's final

regular rate of pay.

G. Pay Periods. Biweekly pay periods run from Sunday of one week through Saturday of the following week. Employees are paid every other Friday for time worked through the preceding payroll cycle. The time sheet is used to record hours worked by non-exempt and 7K exempt employees during the pay period. A pay period schedule is retained in HRS.

H. Meal, Rest and Fitness Breaks. Generally, non-exempt employees assigned to posts or workstations requiring constant staffing are allowed a 15-minute paid rest break in the morning and in the afternoon, at times approved by the supervisor. They must be completely relieved of their duties and free to leave the post during this time. Although other employees may be allowed the same, it is not a right, but a privilege at the discretion of the supervisor. When rest breaks are authorized, they may be combined for the purpose of participating in fitness activities and may not exceed 30 minutes.

All employees are allowed a 30 to 60 minute unpaid lunch break, depending on their approved work schedule. This break may not be combined with rest breaks, nor taken to leave work early or arrive late. When an employee does not take a break during the day the benefit is lost. Aside from the breaks described above, there are no other authorized breaks (e.g., smoking, etc.).

I. On-Call Time. Time spent on-call, under circumstances where the time can be used effectively for personal purposes, is not compensable. Generally, an employee who is not required to remain on ACC premises but is merely required to leave word with ACC officials where he/she may be reached or carry a cell phone while "on-call." To be considered as compensable on-call time, an employee must be restricted from using the time for his or her personal pursuits. Should an employee be called in while on-call, pay begins when the employee receives the call. The employee must report immediately and no later than 1 hour after receiving the call. An employee who reports later than 1 hour will be paid beginning upon arrival. Should the employee be released before the end of the shift or the end of their regular work schedule, on-call pay will be stopped when the employee leaves the premises.

- J. Workers Compensation.** Employees who are absent from work due to a temporary occupational injury or illness and who are entitled to Workers' Compensation benefits may use their accrued leave as a supplement to such benefits not to exceed the employee's regular salary rate of pay per pay period. Contact the ACC Benefits Analyst in Human Resources for more information.
- K. Over-payments.** Employees are responsible for monitoring personal bank account direct deposits from ACC to ensure accurate compensation. In the event of an overpayment, the employee must contact his/her supervisor and Human Resources Section immediately for corrective action. Employees will be held accountable for refunding all overpayments back to the agency. An employee's lack of cooperation in refunding the agency can lead to disciplinary action up to termination.
- L. Compensable Time for Training/Travel.** If an ACC employee is required to attend training or a meeting on a weekend or regular day off, the time must be counted as time worked. It must be counted toward the pay period. Any time worked over these scheduled hours may be counted as straight or over time, whichever applies. Travel to and from training is also compensable as time worked. Travel time for training begins from the employee's physical place of employment and ends upon return to the employee's work location. If unforeseeable events prevent an employee from arriving at their destination in a timely manner, the supervisor must be notified immediately. Specific questions regarding whether training time is compensable should be directed to the HRS Administrator. Employees must receive approval before attending training. Hours in preparation for a license or certification exam cannot be counted toward compensated time.
